

Newburgh ECSD Parent Training Live Webinar

Essential Components for Supporting your Child with Remote Learning

December 15, 2020 from 4-5pm

Through this training, parents/caregivers will:

- i Understand Components of learning that encourage student attention and engagement and learn how to support their use during remote learning.
- i Learn how to create routings and set up environments that support successful remote learning.
- i Understand tools and strategies that will support positive behavior during remote learning.
